Intro

Hello, I am Audrey, a creative individual with a strong interest in both sales and design. I enjoy helping customers in a calm and focused way to make the right choice, ensuring they are satisfied with the final result. Thanks to my experience in sales and my background in both webdesign and branding I have developed a strong eye for detail, presentation, and visual identity. I also hold an Individual Tailored Support Ticket, meaning there is no need for workplace support but the employer may receive a 40% wage subsidy.
